Academic Articulation Agreement
Georgia Northwestern Technical College and Troy University

This Articulation Agreement between Georgia Northwestern Technical College (GNTC) and Troy University (TROY) serves to identify the general education coursework that may be transferred from GNTC to TROY. This agreement will foster inter-institutional cooperation and allow students of GNTC to know in advance, which courses will transfer to a baccalaureate degree at TROY. This agreement will enter into effect on the date signed by both parties. This agreement may be terminated by either party giving written notice to the other party of intention to do so. Such notice of intention to terminate shall be given in writing to the other party no less than 30 days prior to termination date, unless both parties mutually agree, in writing, to a lesser period, but not to be earlier than the term in process. The following conditions must be met by GNTC students wishing to transfer to TROY:

1. Both GNTC and TROY must retain a good standing with the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC).
2. Upon completion of an Associate's degree from GNTC, students must be officially admitted according to the admissions requirements as established by TROY.
3. Transfer students will be eligible for unconditional admission to TROY with a "C" average (2.0 on a 4.0 scale) on at least 12 semester hours of college work attempted, excluding developmental courses.
4. Transfer credits from GNTC will be accepted by TROY in accordance with the attached course transfer matrix, with some designated transfer courses requiring a grade of "C" or higher to be eligible for transfer, such as English Comp I, English Comp II, Math, and some specified major/minor courses as indicated in the TROY catalog.
5. Transferability of CLEP, DSST, Advanced Placement credit, etc. will be determined by TROY.
6. Transfer students must have a complete official transcript from GNTC forwarded to the appropriate Troy University Admissions office.
7. The attached transfer matrix will have identified all GNTC courses that will transfer for TROY courses.
8. All transfer students must earn a minimum of 25% of all degree program hours in residency at TROY in order to graduate from TROY with a Bachelor's degree.
9. All transfer students must earn a minimum of 50% of all degree program hours using traditional academic credit (excludes credit by exam, challenge exams, military experiential credit, etc.) in order to graduate from TROY with a Bachelor's degree.
10. Changes made by accrediting and other regulatory agencies such as the Alabama State Department of Education, Southern Association of Colleges and Schools (SACSCOC), NCATE, the Alabama

- Commission on Higher Education, the Georgia Department of Education or any other state or accrediting agency could result in specific requirement being added to this agreement and must be agreed on by both parties.
11. Transfer students serving a suspension from GNTC are eligible to apply for admission to TROY after serving the suspension period from GNTC. Students on disciplinary suspension must be eligible to return to GNTC before being considered for admission to TROY.
 12. TROY will provide students the opportunity to complete a baccalaureate level degree and above.
 13. The TROY Office of the Registrar and the GNTC Office of the Registrar will evaluate the effectiveness of this process annually and recommend modification and changes to each other as needed.
 14. In concert with the GNTC Office of Communication and Marketing, the TROY Marketing Department will create marketing materials, print ads, and other media materials (the "Outreach Materials") to be used in outreach to local prospective students about the program and the benefits of earning an GNTC associate's and TROY bachelor's degree.
 15. Marketing materials will be shared and approved by both parties in advance.
